This annual event has had such a great turn out, this year we may have to limit the number of teams. The sooner you get your registration form in, the more likely your team will be able to compete.

Please use the space below to add any comments or suggestions you may have which could make the event better or help your experience at the chili cook off. Also, please feel free to offer names and contact information of anyone who may be interested in being a sponsor, having a team, or coming to the cook off.
